Preschool Palm Tree's Newsletter

In Physical Development' we put our muscles at work and crawled our way out the maze.

In relation to the "My Neighbourhood" theme we made our own houses.

Activities Covered:

We learnt about "My Neighbourhood." To understand this concept, we explored our families, where we lived, and how we fitted into our community.

In **Communication and Language,** our theme was **'My Neighbourhood'.** To help them understood their neighbourhood we first taught them about how they belong to their family and who their grandparents are. We elaborated their responsibilities in their home and to themselves.

In **Mathematics,** we began to order number names 1-5. We counted, modelled, and copied sequences for numbers 1,2,3,4,5. Children learned songs like **'Baa Baa black sheep'**, the '**Three Billy Goats Gruff'** to enhance rhythm and to understood number counting concepts.

In **Personal, Emotional and Social Development**, we read the story **'Goldilocks and the three Bears'** and discussed how many people are in our families. We stuck pictures of our families on a house craft and used colours to identify them.

In **Literacy**, we revised all the phonics sounds learnt so far: and introduced a new sound **'p'**. We learned different words with the sound '**p**'. Children practiced writing the sound using correct formation and the icing on top was the '**peacock**' craft.

Thursday activity was fun filled as the norm in our Kindergarten. Our little learners had a fantastic time working together to create their very own **3D mini neighbourhood!** From building colourful houses and beautiful parks to imagining the shops and places that make a community special, the children brought their creative ideas to life.

Upcoming Activities:

After a well-deserved break we are back and ready to dive in deeper on our learning journey. We will delve into the topic '**My Home**.' We will learn about the roles we must play in our homes and different names of rooms and furniture pieces.

In **Communication and Language**, the children will get exposure about the different types of houses around the world. We will read the story **'Three little lambs'** and move on to make home crafts and build homes with blocks.

In **Personal, Emotional and Social Development,** we will learn table manners and role play setting a dining table. Did I hear we will dine on macaroni and cheese and put our table manners to the test?

In **Literacy**, we will learn a new sound /**n**/. We will play different games which stimulate memorising the sound and practice proper letter formation. Furthermore, we will officially start writing our names!

In **Understanding of the world**, we will extend our vocabulary and use furniture names to place the correct furniture in the right room. We will also discuss our favourite rooms in our homes.

In **Expressive art and Design,** we will learn about taking care of our homes. We will learn a song about the different tasks we do around our houses. This will be followed by a 'mop' craft activity.

In 'Literacy' we made a colourful 'peacock' craft.

Palm Tree Weekly Newsletter

Our Neighbourhood!

Upcoming Events:

Thursday 5th November
My Home

Let's build our dream home! Our little designers will explore a house floor plan, arrange furniture, and decide where everything belongs—from cosy bedrooms to welcoming living rooms! Working together with their friends, they'll share ideas, make choices, and bring their dream home to life.

Tips for home:

- **Please ensure** your child gets to bed at a reasonable hour so he/she is ready to learn when they get to school.
- **Display your child's work** from school to help build a sense of pride in their accomplishments.
- Read the **weekly newsletter**, so that you keep up to date on what is happening.
- Limit **screen time** to 1 hour per day.

Time for a Little Break!

Our little learners deserve some time to rest, recharge, and enjoy special moments with their families! 💙✨ Thursday, 22 October will be our last day before the Mid-Term Break, and we will welcome everyone back on Sunday, 1 November.Wishing all our wonderful families a relaxing, happy, and fun-filled break! Enjoy every moment, make beautiful memories, and come back ready for more exciting adventures and learning! 🏠🌼🍃

Happy Mid-Term Break from all of us at Kid'n Around Kindergarten!.

What a good time we had exploring our 'Neighbourhood' through play.

Palm Tree Class worked hard decorating plants for our community.

To see more photos of our adventures in learning be sure to visit our website, Facebook and Instagram

Final Note:

Routine is an important part of building your child's comfort level at school. Please make sure you drop your child off at school no later than 7:30 a.m. and pick them up at the end of the day at 12:30 p.m.

We look forward to working closely with you, to form a strong, home-school partnership, which will help to encourage your child to have a happy and successful year in Preschool.
