PRESCHOOL 22-26 NOVEMBER 2026 ISSUE 12

LOOKING BACK

Last week we explored Transportation

We explored how we can go from one place to another using different modes of transportation.

Communication & Language

We learned about all the different modes of transportation from a car moving on the road to a hot air balloon flying in the sky.

Personal, Social & Emotional

We learned to use our listening ears to differentiate between the different sounds that each mode of transport makes. What an adventure!

Mathematics

We ordered numbers 7-10 using rhymes like 1,2,3,4,5, Once I caught a fish alive and 1,2, Buckle my shoe.

Literacy

We discovered /ck/ in our surroundings, words and rhymes, and practise correct letter formation in texture trays and our phonics books.

★Thursday's hands-on adventures

Our little learners explored the city on our exciting Doha Bus Trip. We stopped off at a few locations and had an opportunity to have a picnic together and play some games at Al Bidda Park.

Our learning in pictures

Caption: Music and movement helps us to form memory pathways and crossing our midlines. There are so many they can practice at home too.

Caption: Learning how to count out objects to match the number symbol is a very important skill that we are developing.

LOOKING AHEAD

This week we explore Road Safety

This week, we will explore how to stay safe when travelling and going by when we are on the roads!

Communication & Language

We will talk about how we can follow the rules of the road to make sure that we get from one place to another as safe as possible. We will practice these rules in play for a hands-on experience.

Literacy

We will revise p/n/c/k. Games and practical activities will help us hear, recognise and identify the sounds on their own and within words.

Personal, Social & Emotional

We will step into our small world play and pretend to be on the road and practice the road safety rules we have been learning about.

Expressive Arts & Design

We will make our own steering wheel to use as we navigate the small world games and pretend to be out on the roads.

★Thursday 26 November • Road Safety

We are going to go out on the Kid 'N Around roads and practice the safety rules to have a fun and enjoyable journey around town. We will drive around on our scooters and tricycles and makeshift cars.

Our learning in pictures

Caption: Having a picnic and seeing the town with our friends was the highlight of the week.

Caption: World Children's Day was filled with fun and laughter.

FOR FAMILIES

Home and school growing together

Together, we help every child feel secure, proud and ready to learn. Routine is an important part of building your child's comfort at school.

Rest and readiness

Please help your child get to bed at a reasonable hour so they arrive at school rested and ready to learn.

Our daily routine

Please drop your child off no later than **7:30 a.m.** and pick them up at the end of the day at **12:30 p.m.**

Celebrate their learning

Display your child's work at home to build a sense of pride in their accomplishments.

More learning moments

For more photos of our adventures in learning, visit our website, Facebook and Instagram.

Stay connected

Read the weekly newsletter to keep up to date with our classroom learning and activities.

Screen time reminder

Please limit screen time to **1 hour per day**.

A warm partnership

We look forward to working closely with you to form a strong home–school partnership that will help your child have a happy and successful year in Preschool.
