

Preschool Palm Tree Newsletter

We learnt about Spring fruits and made our own fruit salad, we even cut up the fruits ourselves!

Making some beautiful Spring sunflowers. Look at how we can hold scissors nicely!

Activities Covered:

Last week, we discovered the blooming season of **Spring**. The week started wonderfully with some rain to give us some hands-hands on feel of the season.

In **Communication and Language**, we listened to the story '*When Spring comes*' and enjoyed dancing to the '*Springtime Dance*' Song.

In **Personal, Social, and Emotional Development**, we focussed on practicing for our up coming school concert. We also learnt why we celebrate Mother's Day and then made a lovely card for our lovely moms to celebrate their special day.

In **Physical Development**, we practice our cutting skills by cutting up some fruits and making our own delicious, healthy fruit salad. They just loved this activity!

In **Literacy**, we learnt the sound 'g' and to help us remember the sound, we made a craft g for grapes.

In **Understanding the World**, we learnt about spring animals. Spring is the time of birth and growth, and this is the time that many baby animals are born. We made a bunny craft to remember what animals are born during Springtime.

In **Expressive Arts and Design**, we continued with our seasons mural and added on the spring part to our wonderful seasons tree. We enjoyed doing this activity.

On **Thursday**, we had a lovely day celebrating **Garangao!** It was so special to see all the children dressed up and bringing treats to share. Thank you to the Arabic Teachers for organising the activities for the morning!

It has been a week of smiles and fun; we enjoyed learning all about Spring.

Upcoming Activities:

This week, we will be learning about a new season and it's the awesome season of **Summer**.

In **Communication and Language**, we will listen to the story '*Pete at the Beach*' and we will talk about all the fun things we can do at the beach when the weather is warm and sunny.

In **Physical Development**, we will play some awesome summer games in preparation for our Thursday activity.

In **Mathematics**, we will continue to learn about Prepositions and focus on above and under, and in front and behind.

In **Understanding the World**, we will listen to the story '*I see Summer*' and discuss what kind of sports activities take place during the Summertime. We will do a painting of the sun to remember all about this because the sun is what summer is all about!

In **Expressive Arts and Design**, we will complete our seasons mural by finishing the Summer part of our tree.

It's going to be a wonderful week of sunshine and warmth with lots of activities to keep us busy!

We made a bunny craft to remember about animals born in Spring.

All dressed up for our Garangao Celebrations!

Tips for home:

- Display your child's work from school to help build a sense of pride in their accomplishments.
- Read the **weekly newsletter**, so that you keep up to date on what is happening.
- Turn off all **screen time** at least **1 hour** before bedtime.

My values Draw My Identity

Fitra Initiative:

Fostering Taqwa of Allah (Allah-consciousness) in the Blessed Month of Ramadan.

Happy Garangao Celebrations to all!

Upcoming Events:

Thursday 20th - Summer Games

Children are asked to come dressed in their swimming attire for water play and bring along their sun hat, flip-flops, towel, water guns, and a spare set of clothes to change into after the activity.

Everybody looking the part in our Thursday celebrations!
