

Preschool Maple Tree Newsletter

Sharing meals together has been our favourite past time this year , that's for

Can you crawl like a baby and play musical chairs. Adding different levels to familiar games creates opportunities to further develop fine and gross motor skills in a fun way.

Activities Covered:

This week was Fun Week. What a fitting topic to end the year! As the school year draws to a close, we reflected on the friendships we have developed over the year. The fun times we have had and the learning experiences we have shared. We have come a long way from the beginning of the year.

On **Sunday**, we took a trip down memory lane and looked through all our photos. Each child chose their favourite picture of themselves, and we stuck them onto a memory tree. We all enjoyed this activity, and it was so great to see all the different things we did throughout our preschool year.

On **Monday**, we had a cup stacking competition to test our skills for fine motor and gross motor development. We made towers using up to 10 cups.

On **Tuesday**, we had some fun playing a game together. We each got a turn to shake the balls out of a tissue box that was tied around our waist. This was such a good laugh!

On **Wednesday**, we had so much fun putting on our thinking caps to play the cup sorting game. We were such pros at this game. Well done, everyone!

On **Thursday**, we enjoyed a farewell party with our friends and said our goodbyes for the Summer. It was a fantastic last day to spend with everyone. We have had a lot of fun and made beautiful memories during this academic year.

Hot potato teddy bear edition was great fun!

Upcoming Activities:

We cannot believe it is already the end of the year. Where did the time go? The saying "time flies when you are having fun" has certainly been true this year. What a fantastic year it has been! It has been wonderful to watch the children grow in confidence, independence, and ability since their very first day in the classroom. We are incredibly proud of how much progress they have made, both academically and socially, and it has been a joy to be part of their learning journey.

Sometimes we sit back and cannot believe the amazing changes and growth we have seen in the children this year. We have all worked incredibly hard and achieved so much together. Everyone deserves a big pat on the back for always trying their best and showing such enthusiasm for learning.

None of this would have been possible without the wonderful support from home. Thank you so much, Mums and Dads, for your help, patience, and understanding throughout the year. Your encouragement has played such an important role in the children's progress and confidence.

We have had a very successful and rewarding year, filled with learning, laughter, and memorable moments. The children have grown in so many ways and are now well prepared and confident for their transition to Reception and the next exciting stage of their learning journey in "big school."

Ms. Freda and I would like to wish each one of you the very best of luck for the future. You will all be greatly missed, and we are so proud of everything you have achieved.

We hope you all have a wonderful summer break filled with fun, laughter, and special memories. Enjoy every minute of it — you truly deserve it! It has been an absolute joy having you all in our class, and we will miss each and every one of you so much.

Upcoming Events:

Summer Holiday!

The school will be closed for the summer holiday from the 22nd of June until the 28th of August!

Tips for home:

- Please ensure your child gets to bed at a reasonable hour so he/she is ready to learn when they get to school.
- Display your child's work from school to help build a sense of pride in their accomplishments.
- Read the **weekly newsletter**, so that you keep up to date on what is happening.

Thank you for a fantastic year!!!

After all the fun in the sun , we couldn't wait to have our ice-cream!

Final Note:
